Newsletter for Parents, Carers and Staff

Autumn Term 2 2018

Dear Parents and Carers,

The artificial grass is down and the summer house is up and we love the way the garden works now. The reading shed is well used as well as the new bench with steering wheels. We still don't have our new sand pit due to delivery problems but hopefully that won't be too long now. Our Ofsted inspection was on the 13th and that went very well. We'll send out the report as soon as we receive it; it takes a little while for the report to be produced but we are very happy with how the day went. Our thanks to the parents who spoke to our inspector Helen and thanks to all the staff for there continuing hard work.

Letters and Sounds Please check out the new display board in the coat area for information about letters and sounds. In nursery we concentrate on phase one— getting ready for phonics and initial phonic sounds and then school reception take over with phase two when the children are ready. The display board outside the baby room is being changed over and will soon have some information about early language development for the under twos.

Christmas stay and play

This will be on **Monday 3rd December** 9 to 10 am. Parents welcome to attend with their children to join in some Christmas crafts.

Christmas Songs followed by children's party Come and watch the children sing. 9.30-10 am followed by children's party. If the children can dress in Christmas outfits that would be lovely— we have lots of Christmas dressing if they would like to borrow one of our costumes. Food lists will go up closer to the day.

Christmas post From the 1st December our post box will be out for all those Christmas cards the children want to send to each other. Please ask staff if you need a name list.

THINGS TO REMEMBER

Please do:

Remember to pay your child's fees by the 10th of the month. We would appreciate your co-operation and if you have any difficulties with this arrangement please contact Jacquie in our admin team on 01753 654546.

Don't forget that you can pay your fees by bank transfer using the details below.

Sort Code: 09 01 51 Acct No: 59224187

Please use your child's full name as a reference—thank you!

Snow and Ice

We always try to remain open but we need to ensure that staff and children will be safe on the roads. If snow and ice do mean we need to close we will post on face book, the website and the Bucks school closure site to let you know.

Nu nuts please— we try to ensure we have no nuts in the setting due to the severe allergic reaction this can cause, so no nuts or nut products including peanut butter in lunch boxes please.

Term Dates— Last day of term will be Wednesday 19th

December which gives us time to deep clean the nursery before Christmas. Back on the 3rd and funding restarts on the 7th January.

Wellies and waterproofs!

Please check that your child has wellies that fit and provide some waterproof trousers as the artificial grass is very inviting to sit on but gets very wet! And please make sure these are named along with coats, hats, gloves, lunch boxes and water bottles.
